Our Rates

Why a rate card?

Because we believe that trust is the foundation of any long term relationship. We want you to know what we charge, and what you get. We don't pull numbers out of our hats, or the rafters. What you see here is what we charge.

Monthly Hosting Plans

"Keep It Simple" \$29.95

Includes a website with a home page, inventory, and contact pages. This package is tailored to independent dealerships without service departments.

"Premier" \$49.95

Includes unlimited total pages including online service appointment forms, staff and "about us" pages. Custom user managed front page specials are included as well. This plan works best for franchised and midsized independent dealerships.

"Bells and Whistles" \$99.95

Includes unlimited total pages with user managed content on each page, coupons, specials, and parts ordering, as well as service scheduling. E-mail newsletter tools are also included. This package is ideal for dealerships that have a fulltime internet manager on staff.

"Inventory Extras" add-on \$49.95

This includes an easy to use vehicle comparison tool, a visitor managed list of favorites, integration with advanced manufacturer resources (i.e. Acrobat/PDF vehicle brochures and window stickers*). This service can be added to both the "Premier" and "Bells and Whistles" packages.

Data distribution add-on \$24.95

Data distribution to AutoByTel, Cars.Com, AutoTrader, TownNews and Cars HQ

*Not all resources supported by all manufacturers, contact your sales representative for details.
